Another Benefit of Being an IUOE Unit 12 Member – April 2, 2019

When you joined IUOE Unit 12 you may have noticed that there was an Insurance Card as part of the union membership application. If you filled out all of the required information on the Insurance Card and submitted it with your membership application, you enrolled yourself in a basic \$3,000 life insurance and \$3,000 accidental death and dismemberment insurance policy benefit at no cost to you.

The Insurance Card also informed you that the policy covers only active employees, not retirees, and that the benefit amounts payable under the policy are reduced after the insured member turns 65.

Also, of major importance, on the card is a line for the new member to put their beneficiary. As you know, beneficiaries can change throughout your life, so it is very important that you keep that designation up to date in the event of a claim.

To update and change your beneficiary, contact the Unit 12 office at 916-444-6880.
