IUOE Unit 12 has its second bargaining session with the State – February 27, 2020

Our second bargaining session with the State was on Thursday, February 20, 2020. We continued to put more economic proposals on the table for a total of 26 now.

At our next bargaining session on March 5th we will have IUOE members from several of the BU 12 classifications testifying about recruitment and retention problems in their classifications and the need to increase the wages. They will be: Commercial Vehicle Inspection Specialists, Electronic Technicians, Caltrans Tree Maintenance Workers, State Park Equipment Operators, and Caltrans Equipment Operators I & II.

So far, the State has not brought any new proposals to the table. Our next bargaining sessions are scheduled for March 5th and March 19th, 2020.

UNION STRONG!
