IUOE Bargaining Unit 12 Negotiations Update #3 – March 6, 2020

We met with the State this past Thursday for our third negotiating session. The entire session was spent making classification presentations to the State's team. Thursday's presentations were from our CHP Commercial Vehicle Inspection Specialists (CVIS's), Caltrans Equipment Operators (CEO's), State Park Equipment Operator's (SPEO's), and the Electronic Technicians (ET's).

The presenters were: Vola Taylor, CHP CVIS Grapevine; Richard Betancourt, CHP CVIS Gilroy; Ryan Wynia, Caltrans CEO from District 2; Mike Blake, Caltrans CEO from District 10; CDCR Electronic Technician, Jerry Galli from Mule Creek; CDCR Electronic Technician Richard Doctor from SATF; and Dan Christensen, State Parks Equipment Operator.

At our next session on March 19th there will be union presentations made for the Caltrans Tree Maintenance Worker classification, Locksmiths (CF), Foundation Drillers, CalOES Telecom Technicians, Electricians for all departments, and Pest Control Technicians at CDCR.

After our March 19th session we will start meeting with the State every Thursday.

UNION STRONG!
