

IUOE Unit 12 negotiations suspended through May 1st

As you all know, the Governor has issued an order that all non-essential employees should remain in shelter and that there shall be no gatherings of groups until this COVID-19 Pandemic subsides.

In order to abide by this order, there will be no Unit 12 negotiations during the month of April. We are hoping that negotiations can resume in May.

Stay Safe!

UNION STRONG!

Director of Public Employees, and Chief Negotiator for IUOE Unit 12
