Craft-Maintenance Division State of California Unit 12  
Locals 3, 39 & 501, AFL-CIO

## IUOE Unit 12 Bargaining Update #4 – May 26, 2021

Unit 12 Members,

Your Union will meet with the State of California to continue negotiations Thursday, May 27, 2021 and Friday, May 28, 2021. To date, we've received the input and assistance of over 30 bargaining unit members, in various classifications, whom have participated in either video, or in person presentations to CalHR and various Departments. The videos and presentations provided a more in-depth review of the work our members have continued to provide to the State of California throughout the COVID-19 pandemic. In accordance with our current MOU, Article 10.21, and continued negotiations with the State of California the PLP is due to sunset (end) at the end of the fiscal year, June 30, 2021. At this time wages will return to normal and Unit 12 will no longer be subject to the provisions of the PLP-2020.

Your negotiation team is combining all of its resources to bargain a fair contract by early June to allow our members to ratify (vote) the agreement prior to the end of the fiscal year. In anticipation of negotiations being completed within the next couple of weeks we urge all who are currently not members to become members, and take part in the contract ratification vote.

### In Solidarity!
