IUOE Unit 12 Bargaining Update #5 – June 4, 2021

IUOE Unit 12 Members,

As of June 4, 2021, your Negotiations Committee has reached a tentative agreement with the State of California concerning a successor Unit 12 Memorandum of Understanding (MOU). The tentative agreement is a two-year agreement with salary increases in both years in addition to multiple special salary adjustments and pay differentials, amongst other gains. Your Union is now in the process of preparing a summary of the changes and/or updates to the MOU to share with its members. We are currently on schedule to implement the new MOU the beginning of the fiscal year, pending a successful ratification vote by our members. Once the summary of changes and/or updates is completed it will be posted on the Unit 12 website. We are also preparing ratification ballots which will be sent to union members beginning the week of June 7, 2021. Please be reminded only union members may participate in the ratification vote. If you wish to become a member of the Union please contact your Union Representative for assistance with the process.

In Solidarity!
