IUOE Unit 12 Reaches Settlement Agreement with CDCR Corcoran Prison on M&SS I Work Jurisdiction Grievance – March 12, 2019

On March 11, 2019, IUOE Local 39 reached an agreement with CDCR Corcoran State Prison to settle a grievance which was filed on behalf of five Canteen employees in our Bargaining Unit 12 on December 18, 2018.

The grievance was filed as a Section 18.3 Work Jurisdiction violation. The Union claimed that a supervisor and a manager were loading, transporting, and delivering supplies, materials, and food products throughout the prison facility. It also alleged that these two Non-Unit 12 employees were operating forklifts and driving delivery vehicles.

In the interest of promoting harmonious relations between the parties and to avoid the uncertainty, inconvenience, and expense of litigation the State of California CDCR Corcoran and the IUOE Local 39 agreed to the following:

- Each of the five Unit 12 employees would receive \$130.78 for depriving them of working overtime to perform the tasks associated with the grievance.

In further consideration of the above, IUOE Local 39 agrees to withdraw the grievance identified as CDCR No. 18-C-16-072.

UNION STRONG!
