## **IUOE Unit 12 Reaches Settlement Agreement with Salinas Valley State Prison- Psychiatric Inpatient Program (SVSP-PIP) on Work Jurisdiction Issue – May 13, 2019**

Several months ago, a Unit 12 grievance was filed by Local 39 Business Representative, Chris Kalmar alleging that Unit 12 Painter's work was being improperly assigned to a Unit 12 Building Maintenance Worker (BMW) both during normal business hours and on overtime from July 2018 through January 2019.

To settle the grievance and to avoid the uncertainty, inconvenience, and expense of litigation, the parties agreed to the following:

SVSP-PIP agreed to compensate each of the Painter II's Three Thousand and Fifty-One Dollars and Thirty Cents (\$3051.30) and Forty-Five (45) hours of Compensating Time Off (CTO) added to their leave bank.
