Pre-Requisite Skills: A valid, Class C driver's license is required.

Job Description: Under the supervision of a Caltrans Bridge Maintenance Supervisor or guidance of a Leadworker, the Caltrans Highway Maintenance Worker (CHMW) operates equipment identified as Category 1 used by assigned unit and works individually or with a crew performing tasks related to bridge maintenance. Work may be performed at heights of considerable elevations, up to 300' over ground or water, requiring the use of harness, lanyard or other fall protection. The incumbent may work by means of scaffolding, swing staging or platforms; may require working in tight and confined spaces requiring the use of appropriate safety equipment; and may require work on the water from a work boat. A valid, Class C driver's license is required while performing duties associated with maintaining the State highway system. The incumbent works individually or with a crew and may occasionally provide guidance to other less experienced crew members. Incumbent may be required to work overtime including nights and weekends, may be required to work temporary and/or intermittent varied work shifts, and is expected to respond to emergency calls. The position requires out-of-town travel, usually in week-long increments. May be loaned to another crew. This position is represented under collective bargaining.
