Job Description: Under the direction of a Caltrans Maintenance Supervisor, the Caltrans Equipment Operator II (CEO II) will operate and service vehicles requiring a Class A commercial driver's license with tank (N) endorsement, and performs work related to highway maintenance, structures maintenance, construction, and Landscape Maintenance. When not operating the specified equipment, the Equipment Operator II may perform any of the duties outlined under Caltrans Equipment Operator I, Caltrans Highway or Landscape Maintenance Worker, and perform other related highway maintenance work. The CEO II maintains knowledge of all current mandated and applicable safety training and standards, policies, practices, directives, and expectations, and complies with all departmental training and safe work practice requirements. The CEO II may be assigned to other operations units and/or geographical areas as operations needs dictate. Overnight travel out of town up to 80 percent of the time may be required to meet operational needs. The incumbent will operate and service highway maintenance equipment identified as Levels of Equipment for Caltrans Equipment Operator I and II. The incumbent will operate appropriate equipment to conduct asphalt and concrete repair and preventative maintenance operations related to SB-1. Will carry out the installation and repair of signs, fence and guardrail and may perform striping, pavement marking, culvert, and bridge-related work. The incumbent may be required to perform snow and ice control tasks including truck, grader, or rotary plowing, repair and removal, chain control operations, apply deicing materials, and the construction and repair of traction control devices. May be required to operate a mobile sweeper as the designated operator for all cost centers within the Superintendents' area. The incumbent maintains knowledge of all current mandated and applicable safety training and standards, policies, practices, directives, and expectations, and complies with all departmental training and safe work practice requirements.

Pre-Requisite Skills: Valid Class C Driver's License

Job Description: While working for the Caltrans Division of Equipment (DOE), the incumbent will work under the direction of a Highway Mechanic Supervisor and/or direction of a Caltrans Heavy Equipment Mechanic Leadworker. The incumbent will typically be working in a field environment, constructing, inspecting, diagnosing, repairing and servicing various fleet equipment types used by the Department. Completes various records and reports, and uses computer equipment for various tasks. May assist in instructing or giving directions to helpers, apprentices or other employees. Incumbent may be assigned to either Resident/Field or Traveling/Roving coverage, operates under remote supervision from main shop or sub shop, and is subject to periodic field HEM reviews coordinated by shop leadership. Incumbent must possess a valid class C driver license and will assume responsibility for reasonable safeguards, proper use and handling of materials, tools, equipment and facilities at all times. The use of personal protective equipment (PPE) is required. It may be necessary to work outside and/or travel to assist at a field mechanic's location, or a highway maintenance station. The incumbent must be able to work in these areas in inclement weather, which may include severe cold or heat. At times it may be necessary to assist with the daily operation of the shop.
