Pre-Requisite Skills: Valid Class C Driver's License

Job Description: Within the Division of Equipment (DOE), under the direction of a Highway Mechanic Supervisor and/or direction of a Caltrans Heavy Equipment Mechanic Leadworker, the incumbent will typically work in a shop environment, constructing, inspecting, diagnosing, repairing and servicing various fleet equipment types used by the Department. Completes various records and reports, uses computer equipment for various tasks. May assist in instructing or giving direction to helpers, apprentices or other employees. Primary work location is the main shop or sub shop. Incumbent must possess a valid class C driver license and will assume responsibility for reasonable safeguards, proper use and handling of materials, tools, equipment and facilities at all times. The use of personal protective equipment (PPE) is required. It may be necessary to work outside and/ or travel to assist at a field mechanic's location, or a highway maintenance station. The incumbent must be able to work in these areas in inclement weather, which may include severe cold or heat. At times it may be necessary to assist with the daily operation of the shop. Job assignments may be subject to travel, rotation, changes of shift, including work hours and work days.

Pre-Requisite Skills: Valid Class A Driver's License with Tank (N) endorsement

Job Description: While working for the Caltrans Division of Equipment, under the direct supervision of the Caltrans Highway Mechanic Supervisor (HMS). The Caltrans Equipment Operator II (CEOII) safely and legally operates a heavy equipment transport truck and trailer engaged in transporting a variety of heavy equipment, vehicles, and freight throughout the district(s) and/or throughout the state. Will be required to operate a variety of maintenance, construction, and landscape equipment that may require a class A commercial license with a tank (N) endorsement for the purpose of loading, unloading pickups or delivery to maintenance yards, vendors, or equipment shops within the district and/or throughout the state. When not operating the specified equipment, may be required to assist with small facility repairs, cleaning, and maintenance.
