Job Title: Caltrans Electrician II

Class Code: 6924

Crew: Lab-SLC Crew

Unit: 2080

Work Location: District 7

Physical Location: 7300 E. Bandini Blvd. Commerce, 90040

Shift: 9/80

Days Off: Saturday, Sunday & Alternate Friday

Shift Start: 0600 **Shift End:** 1530

Comments: Shift ends at 2:30 one Friday, and off the next Friday. Must submit LR-0941 (Bid Request). To expedite the process, also submit PM-0078 (Authorization to Release Information). Please contact Joseph Vecchi at email and phone # provided below for questions or to confirm bids were received.

Pre-Requisite Skills: A high degree of analytical ability is required. Must be able to quickly locate cause or failure in electrical equipment and devise repairs promptly, establish and conduct preventative maintenance program on equipment assigned for maintenance. Must be able to determine when to require assistance. The person must have strong knowledge of electrical theory and practice, including power, lighting and control circuits; materials, methods, and equipment used in the installation, maintenance, and repair of electric and electronic devices. This pertains particularly to the repair of highway lighting, ramp metering, surveillance stations, and bridge electrical systems. Methods, materials, and equipment used in electrical repair and less complex electronics as applied to various electrical control and measuring devices; and the Electrical Safety Orders of the Division of Industrial Safety and of the safety precautions required in the installation of traffic control devices. Ability to keep accurate written reports. Must be able to communicate well in writing, by telephone and two-way radio. Ability to read and interpret plans, detail drawings and wiring diagrams.

Job Description: Under general direction from the Caltrans Electrical Superintendent and general supervision from the Caltrans Electrical Supervisor and/or from an Electrician II lead person, the incumbent follows safety and health policies and procedures as contained in the Department's Injury and Illness Prevention Program; knowledge of environmental, storm water, emergencies, natural disasters, accident prevention techniques, and safe work practices. There are times when the incumbent may work for other Supervisors and/or work units, as required by operational needs. Follows and enforces California Occupational Safety and Health Administration (CAL/OSHA) and safety rules and regulations; the State of California Department of Transportation Standard Specifications and Standard Plans, the National Electric Code and the District Maintenance Code of Safe Practices. Employee may receive training from other employees of the crew, region, district or headquarters. The incumbent is responsible for the proper maintenance/operation of assigned equipment. Possession of a valid Class C driver license is required. Commercial Class A or Class B driver's license is desirable.

Shift Start: 0600

Shift End: 1630

Comments: This is a traveling crew.

Pre-Requisite Skills: Requires a Class C driver's license.

Job Description: Under the supervision of a Caltrans Maintenance Supervisor, a Caltrans Highway Maintenance Worker will operate and service highway maintenance equipment identified as Levels of Equipment for Caltrans Landscape or Highway Maintenance Worker. The Highway Maintenance Worker will operate specified vehicles requiring a Class C driver's license including light trucks, automobiles, highway maintenance, bridge maintenance, emergency service, construction, or landscape equipment. The Highway Maintenance Worker will perform miscellaneous labor-intensive work in connection with both the Caltrans Landscape and Caltrans Highway Maintenance Worker duties, and performs duties pertaining to highway maintenance, structures maintenance, emergency service, landscape, construction, and maintenance of safety roadside rest areas; and do related work as noted below. The Highway Maintenance Worker must maintain knowledge of all current mandated and applicable safety training and standards, policies, practices, directives, and expectations, and complies with all departmental training and safe work practice requirements. The Highway Maintenance Worker may also be assigned to perform operational duties normally assigned to the other classifications as part of their normal assignment and be assigned to other units and/or geographical areas as operational needs dictate. The Highway Maintenance Worker may be called upon to provide training on equipment to other employees. Overnight travel out of town up to 80 percent of time may be a requirement to meet operational needs. The Highway Maintenance Worker will perform heavy labor associated with the repair of highway structures, cleaning ditches and culverts, concrete and asphalt repair, crack sealing, sign and guardrail installation and repair, erosion control, and the installation of storm water protection measures and other SB1 work. The Highway Maintenance Worker will operate manual and power hand tools, move a variety of heavy objects, perform litter and dead animal removal and disposal, brush and small tree removal and disposal, and may be required to use products that could be hazardous or dangerous. The Highway Maintenance Worker may assist in emergency irrigation repair and Landscape maintenance, and may be called upon to provide training on equipment to other employees.

Pre-Requisite Skills: A valid, unrestricted Class B driver's license with Tank endorsement (N) is required

Job Description: Under the supervision of the Caltrans Maintenance Supervisor, lead direction of Caltrans Highway Maintenance Lead Worker or other qualified crew member, the Caltrans Equipment Operator I operates, maintains and repairs various Maintenance and Landscape equipment, performs miscellaneous laboring duties in conjunction with maintenance and repair of State highways, and works with the rest of a crew in the performance of these activities. A valid, unrestricted Class B driver's license with Tank endorsement (N) is required while performing duties associated with maintaining the State highway system. When not operating the specified equipment, may perform any of the duties outlined under Caltrans Highway Maintenance Worker or Caltrans Landscape Maintenance Worker. The incumbent works individually or with a crew and may occasionally oversee a less experienced coworker. Incumbent may be required to work overtime including weekends/holidays if needed, may be required to work temporary and/or intermittent varied work shifts, and is expected to respond to emergency calls. The position may require out-of-town travel, usually in week-long increments. This position is represented under collective bargaining.
