Pre-Requisite Skills: Required to maintain a Class B driver's license. Class A with tank (N) vehicle endorsement is desired.

Job Description: Under the direction of a Caltrans Maintenance Supervisor, the Highway Maintenance Leadworker performs the lead worker tasks and assists the supervisor with crew engagement of maintenance, construction, and snow removal activities on highways and highway structures. The Highway Maintenance Leadworker may operate and service highway maintenance equipment, landscape or construction equipment as described under Levels of Equipment for Caltrans Highway Maintenance Worker and Caltrans Equipment Operator I and II. Employee may be assigned to other operational units and/or geographical areas as operational needs dictate. Overnight travel out of town up to 80 percent of time may be required to meet operational needs. The Highway Maintenance Leadworker is required to maintain a Class "B" driver's license. Class "A" with tank (N) vehicle endorsement is desired. The Highway Maintenance Leadworker acts in a lead position, working with a crew performing maintenance tasks associated with highway structures, storm drainage, vegetation control, tree and brush maintenance, and the installation of storm water protection measures. The Highway Maintenance Leadworker is be required to operate manual and power hand tools to perform litter, graffiti, and dead animal removal and disposal; conduct asphalt and concrete repairs; perform preventative maintenance operations; carry out the installation and repair of signs, fence and guardrails; and other SB-1 work. The Highway Maintenance Leadworker may use products that could be hazardous or dangerous if not handled properly. The Highway Maintenance Leadworker may be required to perform snow and ice control tasks including the operations of trucks, graders, or rotary plowing, the application of deicing materials, and the construction and repair of traction control devices. The Highway Maintenance Leadworker assists with traffic control duties such as setting up and execution of lane closures on two-lane and multi-lane highways, flagging operations, moving closures, and manned chain control, and will be required to properly set up signs, cones, barricades, message boards, and operate 2-way radios.
